CAMBRIDGE BUSINESS SCHOOL is offering more than 50 courses in Certificate, Diploma, Advance Diploma, Post graduate Diploma, Bachelor Degree, Masters Degree and PhD. These courses are offer from the world's best known universities and institutions: of fundamental importance is the international recognition of the qualification you take – that it is accepted and valued by educational institutions and employers worldwide. We can bring even more convenience to you now as you can choose to study in Singapore for the full program or you can also choose to transfer to University of Cambridge, University of London, Institute of Professional Managers & Administrators (including University of Central Lancashire; Heriot-Watt University; Kingston University; Leeds Metropolitan University; University of Surrey)...in United Kingdom or Preston University in America...or many other Universities in Australia,

Canada, New Zealand.... subject to your acceptance by the overseas university. You will be qualified after you complete and pass all the modules at diploma level or first year, second year at Cambridge Business School, Singapore. Program 1+3; 2+2 (for Honors Degree) are good programs for Asian students, too. It helps to cut down the cost for studying. All these courses are highly recommended for high school or graduate students

In addition, we collaborate with Language Teaching Institute, an Educational Project of Southeast Asian Ministers of Education Organization (SEAMEO) and NUS Business School, which has been rated consistently as a top business school in the Asia-Pacific region by the Economist Intelligence Unit and The Financial Times. The school provides a rigorous, relevant, and rewarding business education that develops leaders for the global marketplace. We are authorized by SEAMEO to conduct their courses in all Asian countries or NUS Business School courses in China. These courses are suitable for teachers, executives, managers, directors or anyone who want to have higher English, international business and management skills. The certification will be issued by both CBS & SEAMEO (for English) and the National University of Singapore (for business executive courses)

We believe that Singapore now is a good location for Asian students to choose for their higher education or a place for them to prepare for the English language and adjust themselves in a new mix Asian-Western environment and culture, After their course they can choose to further their study or work here in Singapore or go to another country. They will be confident that they can speak and understand English, people and another cultures... With confidence, CBS has embarked on preparatory courses for foreign students who want to prepare to study in Singapore Government Schools, Polytechnics, and Universities.
